

## **HELP FILL THE ECOLE MILL BAY LIBRARY!**

Our sister Immersion school started off their year with an empty library. Now we want to fill it and you can help.

**Bring in your gently used French and English books** that are suitable for elementary students. This can include novels, picture books, magazines, reference, non-fiction, cookbooks and more...

**Bring your donations to a box in any grade 3-6 classroom or drop them off in the office.**

**Thank you for your help!**
